

XO LOG

A CLEAR HORIZON

BRIEF ABOUT XOLOG

XOLOG, is a serious freight forwarding and Logistics company aiming to dominate the Arab fragmented FF market and to provide exceptional services in the domain of logistics.

Our goal is to guarantee you the best customer assistance possible as we deliver quick and reliable services with competitive rates by using our extensive experience in the IT field.

We also develop software programs and mobile applications that will benefit our clients and allow them to run their freight businesses in the most efficient ways possible.

XOLOG, is committed to rapidly become one of the top ten leading freight forwarding companies in the MENA region.

Our vision and business plan is to serve the MENA region by providing the best freight forwarding experience to our clients in export and import from and to any place in the world whether by sea, air or land.

We offer advanced shipping services , customs clearance, warehouse management, 3PL and a variety of logistics support for the Oil & Gaz market.

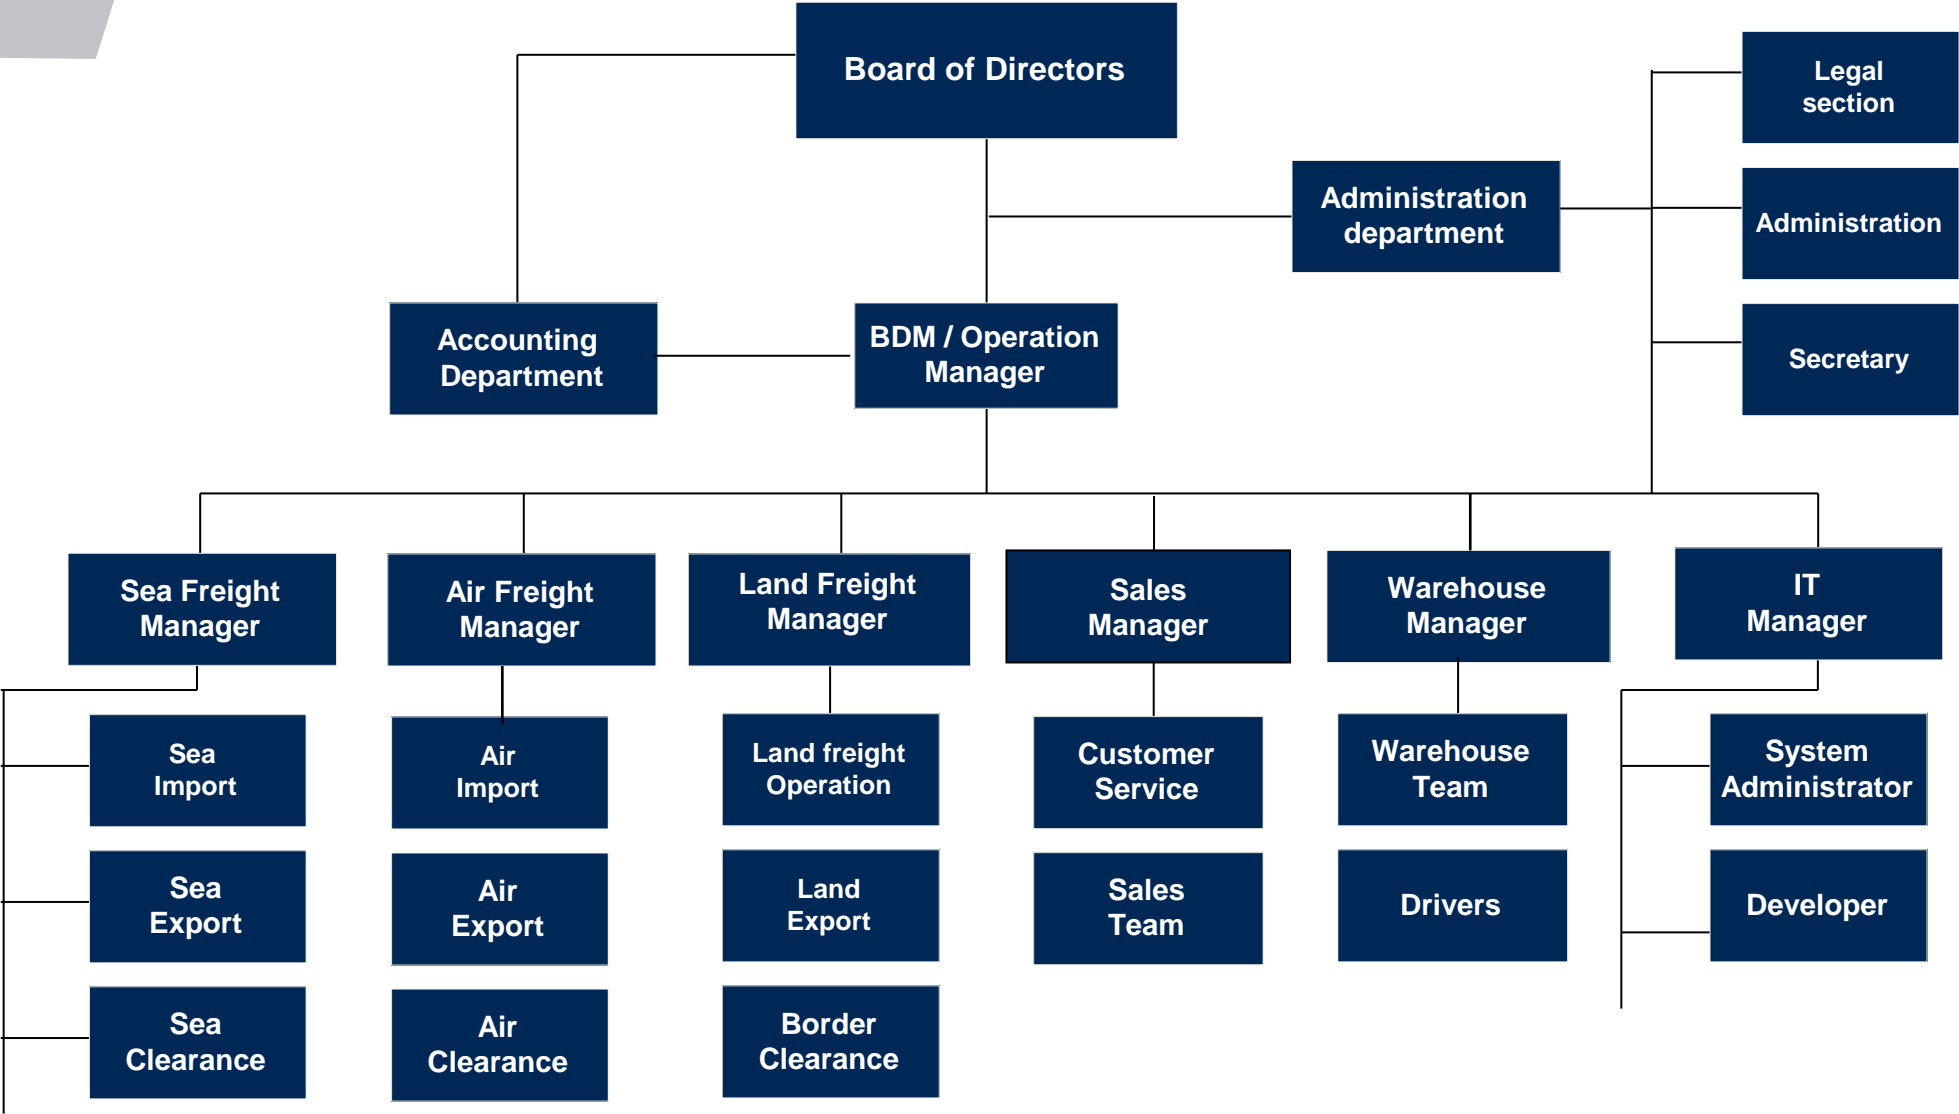

We constantly strive to enhance our relationships with core air and ocean transportation partners from whom **XOLOG**, demands the highest quality and flexibility in order to give our customers the best services at the most competitive rates.

Our experience in various market areas makes our company a **reliable partner for all businesses** where shipping and transportation is required. With our customers valued support, we have kept an eye on future global challenges ensuring the certainty of our long term mutual success.

Our offices are located in Gemayzeh-Beirut, Beirut Airport, Tripoli Port, Dubai South and Athens Greece.

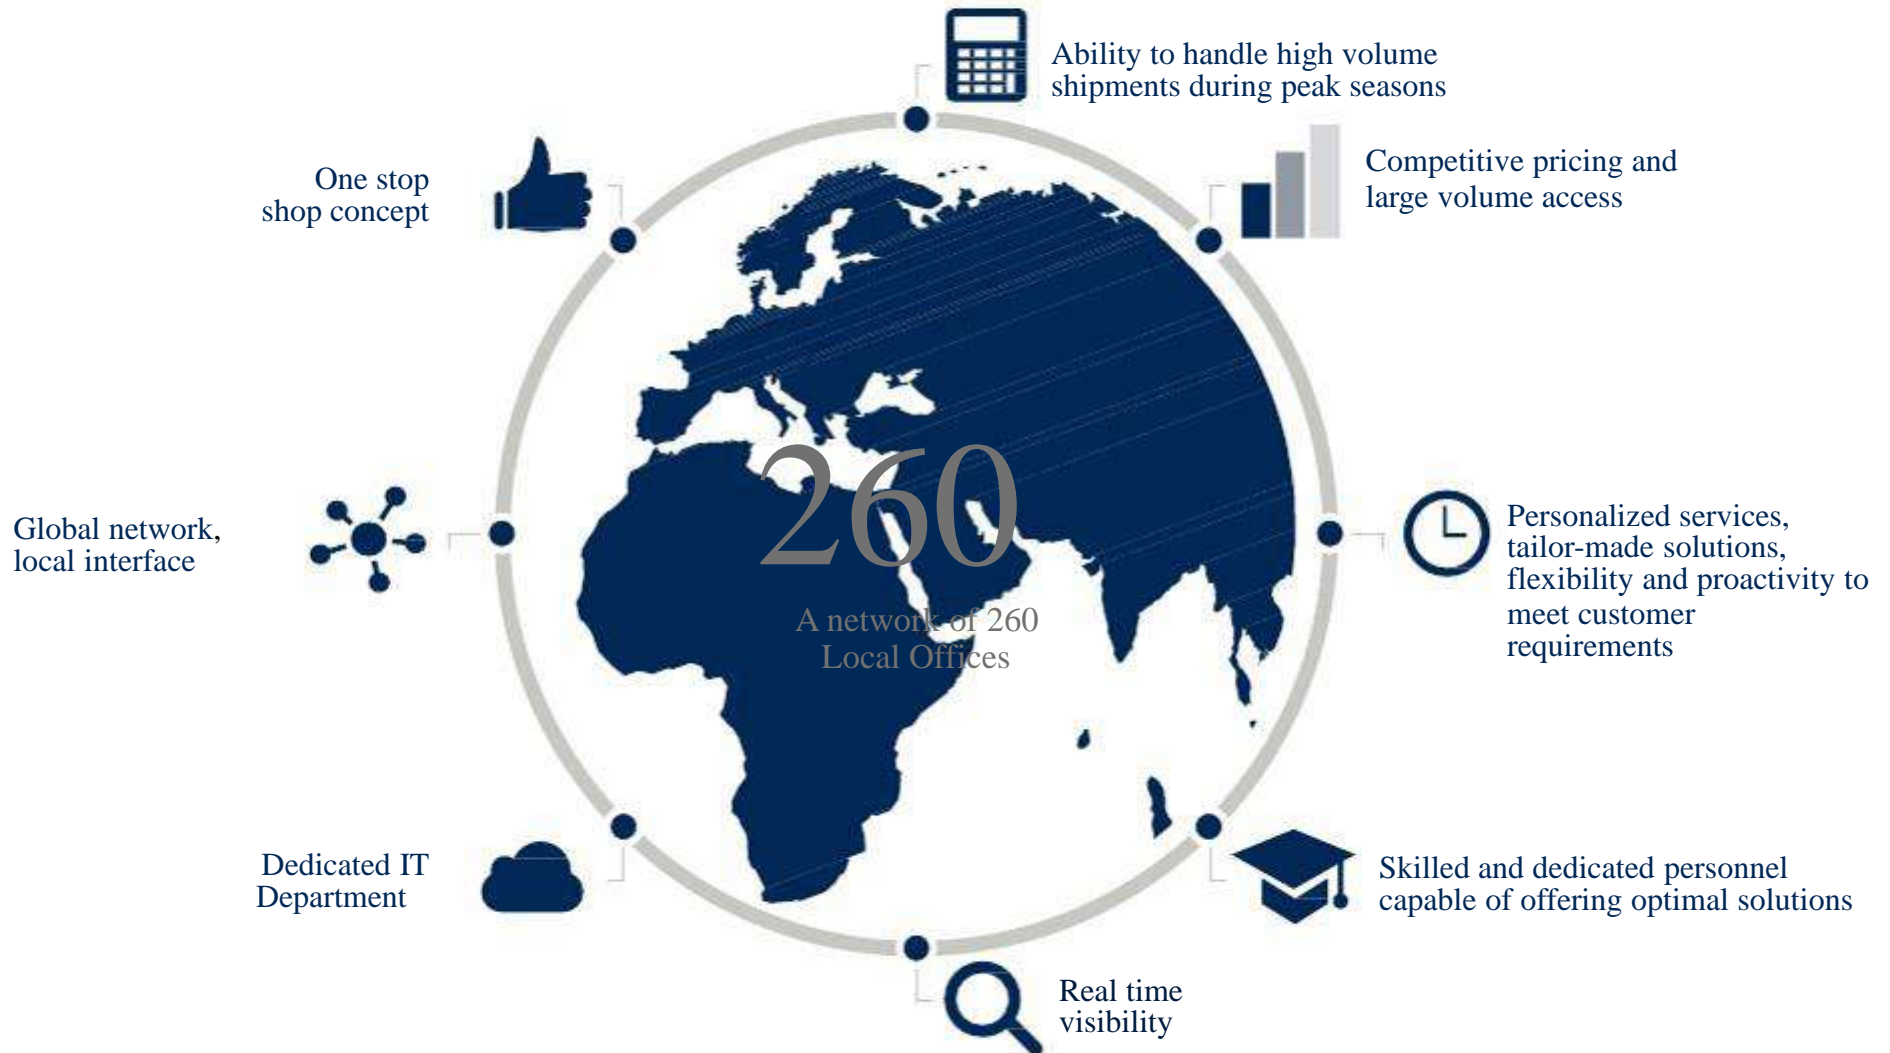

Company Structure
